

EXCITING NEWS FOR TCAV MEMBERS

9th June 2015

We, the Board of Tennis Coaches Australia- Victoria (TCAV), are excited to announce that we have partnered with the United States Professional Tennis Association (USPTA) for the benefit of you our members.

Effective immediately TCAV members with a Tennis Australia 'Club Professional' qualification or above can apply for USPTA International Division membership without the need of any further education or testing.

Current cost of USPTA International Division membership is USD150-00 pa. (USPTA membership year is 1st January to 31st December).

The Board has decided that members will be able to apply from 1st July 2015 once you have paid your Tennis Australia Coach Membership together with our \$35-00 membership fee.

This year the cost of your USPTA International Division membership will be on a pro rata rate to 31st December 2015.

TCAV members wishing to apply will need to contact Board Member Robert Peterson (email: robertphta@hotmail.com) stating they wish to become a USPTA International Division member. The appropriate information will then be forwarded to the USPTA who will in turn send to the prospective member an application form.

At all times your membership of the USPTA, under or arrangement with them, is dependant upon you having paid both your Tennis Australia Coach Membership and our membership.

Anyone wanting more information at this time should contact Robert on 0412 722 348.
